

I want to stress how important it is for K-Love to stay on the Air, I listen k-love 24 hrs a day my house and my car radio is turned to k-love and I support k-love with a auto debit out of bank account every month. K-love is up lifting,encuranging,give me a good aditude to go on when things are bad and I can have my Grandkids in my house or car and not worry they will hear something bad as a lot of the other stations allow on the air some of those stations I am ashamed of you should be a better judge on some of the stations you allow on the air and know that our kids growing up can hear rember they are our future we need to train them with good clean music so i vote to keep k-love on the air
